

Are You Looking for a Cool Way to Make a Difference in the World?

Accounts Lead for WAFA - Volunteer

The dedicated people who volunteer for WAFA (Water Air Food Awards), a non-profit NGO headquartered in Copenhagen, have a dream -- that all people on planet Earth will have access to clean water, clean air, and healthy food. If this is *your* dream, too, and you have 5+ years experience as a Finance Manager, WAFA invites you to apply for their now vacant Accounts Lead position.

WAFA WATER AIR FOOD AWARDS

Here's what Tina Lindgreen, WAFA's CEO & President, has to say about the work of her inspired non-profit organization:

"At WAFA Awards, we know that the effort to successfully resolve the world's many social and environmental challenges is a daunting one. That being said, we also know it's a challenge that can be resolved if enough dedicated people work together, selflessly, to make a difference.

Based on WAFA's eleven years of experience in this field, we have realized that the solution begins by providing a platform to acknowledge the *silent heroes* around the world who have *already* developed proven, nature-based solutions.

Our approach is a simple one -- to identify and showcase what's *already* working to remediate the earth's environmental and social challenges and then do everything in our power to let all 7.6 billion people know about these low-cost, high impact, planet and people saving initiatives.

As WAFA continues to expand its reach, so does our need for savvy, committed volunteers. Below is a description of a role that we are hoping to fill within the next 30 days. If you know anyone with the skills, experience, and time to become WAFA's new *Accounts Lead*, please forward this post to them. The role is a juicy one and the right person will make a huge difference in the impact WAFA can have worldwide."

THE Wafa ACCOUNTS LEAD'S ROLES AND RESPONSIBILITIES:

- Maintain a thorough understanding of the financial reporting and general ledger structure in accordance with Danish Tax Law.
- Ensure the accounts are current and correct.
- Ensure the accurate and timely processing of positive pay transactions.
- Make sure the Bank Compliance activities are performed in a timely and accurate manner.
- Ensure an accurate and timely quarterly and year-end close, as well as statement of accounts and a clean audit.
- Ensure the accurate and timely reporting of all monthly financial information.
- Ensure accurate and timely financial reporting to sponsors.
- Support budgeting and forecasting activities.
- Protect Wafa from financial fraud.
- Support the funding department with detailed or part budgets needed for specific funding/sales activities
- Provide training to new and existing volunteers as needed.
- Manage existing and future volunteers in the Finance/Accounting area
- Min. of hours required per week: 5 hours

JOB REQUIREMENTS:

- University and/or master's degree in finance and accounting.
- Certification as Registered Accountant or HD-R is a preference
- Degree or certification in IT is an advantage
- Experience in working with the Danish accounting system
- At least 2 years of experience in a relevant field of finance and accounting
- Managerial experience
- Advanced IT knowledge within the financial/accounting field
- Experience in reporting, budgeting and fraud management
- Strong in working with financial data
- Analytical and leadership skills
- Accurate, detail-oriented and responsible
- Ability to plan activities and meet deadlines
- Advanced computer skills; highly professional in MS Excel and PPT
- Fluent in English language; knowledge of Danish language is a plus
- Experience with payroll administration preferred

Preference is for the position to be located in the greater Copenhagen, Denmark area. You will be required to have access to a computer with a fast internet connection. You should expect periodic Skype meetings with the Wafa area managers and business leaders.

It goes without saying that you enjoy working with people and are a team player, and that you are self-driven and well-organized.

You will be working remotely and require access to a computer with fast internet connection. Regular Skype meetings with the team are required.

If YOU want to join us to help make our dream a reality, we invite you to send your CV/Resume to Tina Lindgreen, Wafa's President and CEO.
