

Are You Looking for a Meaningful Way to Make a Difference in the World?

CEO for Wafa

The dedicated people who volunteer for Wafa (Water Air Food Awards), a non-profit NGO headquartered in Copenhagen, have a dream -- that all people on planet Earth will have access to clean water, clean air, and healthy food. If this is *your* dream, too, and you have 5+ years' experience as CEO, Executive Director, or General Manager, Wafa invites you to apply for their now vacant **CEO position**.

Here's what Tina Lindgreen, Wafa's Chair Person, has to say about the work of her inspired non-profit organization:

"At Wafa Awards, we know that the effort to successfully resolve the world's many social and environmental challenges is a daunting one. That being said, we also know it's a challenge that can be resolved if enough dedicated people work together, selflessly, to make a difference.

Based on Wafa's 11 years of experience in this field, we have realized that the solution begins by providing a platform to acknowledge the *silent heroes* around the world who have *already* developed proven, nature-based solutions.

Our approach is a simple one -- to identify and showcase what's *already* working to remediate the earth's environmental and social challenges and then do everything in our power to let all 7.6 billion people know about these low-cost, high impact, planet and people saving initiatives.

As Wafa continues to expand its reach, so does our need for savvy, committed volunteers. Below is a description of an essential executive role that we are hoping to fill within the next 30 days. The role is a juicy one and the right person will make a huge difference in the impact Wafa can have worldwide."
