## Are You Looking for a Cool Way to Make a Difference in the World?

The dedicated people who volunteer for [WAFA \(Water Air Food Awards\)](#), a non-profit NGO headquartered in Copenhagen, have a dream -- that all people on planet Earth will have access to clean water, clean air, and healthy food. If this is *your* dream, too, and you have 5+ years experience as an HR Director, WAFA invites you to apply for their now vacant HR Director's position.

### **WAFA WATER AIR FOOD AWARDS**

*Here's what Tina Lindgreen, WAFA's CEO & President, has to say about the work of her inspired non-profit organization:*

"At WAFA Awards, we know that the effort to successfully resolve the world's many social and environmental challenges is a daunting one. That being said, we also know it's a challenge that can be resolved if enough dedicated people work together, selflessly, to make a difference.

Based on WAFA's 11 years of experience in this field, we have realized that the solution begins by providing a platform to acknowledge the *silent heroes* around the world who have *already* developed proven, nature-based solutions.

Our approach is a simple one -- to identify and showcase what's *already* working to remediate the earth's environmental and social challenges and then do everything in our power to let all 7.6 billion people know about these low-cost, high impact, planet and people saving initiatives.

As WAFA continues to expand its reach, so does our need for savvy, committed volunteers. Below is a description of an essential executive role that we are hoping to fill within the next 30 days. If you know anyone with the skills, experience, and time to become WAFA's new *Human Resources Director*, please forward this post to them. The role is a juicy one and the right person will make a huge difference in the impact WAFA can have worldwide.
